

Geology and Engineering Scholarship

Amount: \$5,000

Awarded yearly

Deadline for application: August 10, 2018

Provided by: Baffinland Iron Mines

Renewable: No – must re-apply each year

Brief description:

Awarded yearly to a full-time student enrolled in the first, second, third or fourth year of a recognized program relating to mining, technology, engineering, geology, and related programs. The candidate must demonstrate a commitment to a career in mining, geology, engineering, construction or a related field.

Eligibility:

Open to Nunavut Inuit under the under the Nunavut Agreement. Priority will be given in the following order:

1. Inuit applicants from Mary River impacted communities: Hall Beach, Igloolik, Clyde River, Pond Inlet, Arctic Bay
2. Other Qikiqtani Inuit
3. Inuit from the rest of Nunavut

Application instructions:

We encourage all those interested in pursuing post-secondary education to apply for one of the scholarships, even if their area of study does not completely align with the description outlined above.

To apply, submit the application and supporting documentation (listed in the application guidelines), to our BCLO offices in Arctic Bay, Clyde River, Hall Beach, Igloolik, and Pond Inlet, to our Northern Affairs office in Iqaluit, or by email at contact@baffinland.com.

Application forms are available on Baffinland's website and in our Northern offices.

Visit ww.baffinland.com or speak with one of our Baffinland Community Liaison Officers for more information.
